No. ITL- 240828009

The following products have been tested by us with the listed standards and found in compliance with the council EMC directive 2014/30/EU. It is possible to use CE marking to demonstrate the compliance with the EMC directive.

Applicant : **Foshan YiFeng Electric Industrial Co., Ltd.**

Address : No. 898, Gao Ming Avenue East, He Cheng Blvd. GaoMing District,  
Foshan City, GuangDong Province, China.

Product name : **Stage Luminaire**

Model No. : **TV LIGHT PANEL 3000, LP F3000**

Test Report No. : 240828009

| Test Standards                    |                                                                                                                                                                                                                                                              |
|-----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN 55032:2015 + A1:2020           | Electromagnetic compatibility of multimedia equipment - Emission Requirements                                                                                                                                                                                |
| EN 55035:2017+A11:2020            | Electromagnetic compatibility of multimedia equipment - Immunity requirements                                                                                                                                                                                |
| EN IEC 61000-3-2:2019+A1:2021     | Electromagnetic compatibility (EMC) - Part 3-2: Limits - Limits for harmonic current emissions (equipment input current ≤16 A per phase)                                                                                                                     |
| EN 61000-3-3:2013+A1:2019+A2:2021 | Electromagnetic compatibility (EMC) -- Part 3-3: Limits - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current ≤= 16 A per phase and not subject to conditional connection |
