

## Certificate of Conformity

1-2/F., South Block, Building A2, No.3, Keyan Road, Science City,  
Guangzhou High-Tech Industrial Development Zone, Guangdong,  
China

Te l: 86-20-32209330  
www.i-testlab.com

No. ITL-250616003

The following products have been tested by us with the listed standards and found in compliance with the council EMC directive 2014/30/EU. It is possible to use CE marking to demonstrate the compliance with the EMC directive.

Applicant : **Foshan YiFeng Electric Industrial Co., Ltd.**

Address : No. 898, Gao Ming Avenue East, He Cheng Blvd. GaoMing District,  
Foshan City, Guangdong Province, China

Product name : **Stage Luminaire**

Model No. : **HYPERZONE, CM 7 IP**

Test Report No. : 250616003

| Test Standards                     |                                                                                                                                                                                                                                                           |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN 55032:2015+A1:2020              | Electromagnetic compatibility of multimedia equipment - Emission Requirements                                                                                                                                                                             |
| EN 55035:2017+A11:2020             | Electromagnetic compatibility of multimedia equipment - Immunity requirements                                                                                                                                                                             |
| EN IEC 61000-3-2:2019+A1:2021      | Electromagnetic compatibility (EMC) - Part 3-2: Limits - Limits for harmonic current emissions (equipment input current ≤16 A per phase)                                                                                                                  |
| EN 61000-3-3:2013+A1 :2019+A2:2021 | Electromagnetic compatibility (EMC) - Part 3-3: Limits - Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current ≤16 A per phase and not subject to conditional connection |

The test report was carried out from the submitted type samples of a product in compliance with the specification of the respective standards. The certificate holder has the right to fix the CE-mark for EMC directive on the product complying with the inspection samples
