POWERCON Cables

POWERCON Cables

Distribution of mains power is the backbone of any performance, sound, lighting or vision system. **Safety, reliability** and compliance with the **relevant standard** are factors, which ensure that your power distribution system will **protect the people** who not only use it, but also those who are legally responsible for the overall **safety of the installation**.

SRS cables offers a range of power distribution systems widely used in environments with high humidity or formation of condensed water.

All cables are built, tested and certified to meet the **EN/IEC** or **CSA/UL** standards.

They are produced in many sizes and lenghts customized according to your requirements.
